DEAR MR. Weisberg,

I want to say THANKYOU for  
All your work these many years  
to find out what happened to JFK!

I am trying to find a copy  
of your "whitewash" would like  
for my library.

Also could you please send me  
a list of books etc you have  
done on JFK's ASSASSINATION AS  
WELL AS RFK & MLK?

And other people you feel are  
credible ...

A couple of Questions

No 1. Any more leads on Beverly Oliver  
Film?

2. more "info" on Mary Moran's picture  
RE: "Badgerette" etc? who they ARE?

3. Where do we go from here?  
how can we have a Grand Jury &  
that "mother of all Trials"?

MR. WEISBERG, YOU ARE A TRUE  
HERO & AMERICAN PATRIOT! YOU  
HAVE HELPED YOUR COUNTRY &  
THE LATE JFK MORE THAN WE  
CAN EVER REPAY!

You Have Guts!

GOD BLESS,

P.S. I HAVE ENCLOSED A SELF STAMPED  
AND ADDRESSED ENVELOPE.

I WAS 7 YEARS OLD WHEN PRES.  
KENNEDY WAS MURDERED, AND YET AS  
AN ADULT, JUST BEGINNING TO LEARN  
WHAT HAPPENED ON & BEFORE &  
AFTER 22 NOV 1963 - - - -

Dear Mr. Boyd,

I do appreciate your letter. Thanks for it. I'll soon be 81 and letters like it make me feel good.

The list of our books is enclosed.

Carroll & Graf will soon be bringing out my Case Open, exposing Posner.

I know of no leads on any film Beverly Ulver may have taken. There are so many questions about other things she has said that without some confirmation I'm not inclined to believe she is that unknown woman who was shooting film.

I know of nothing new on that Moorman picture save that Gary Mack continues to make every effort for a proper enhancement.

I fear that many people like you have been misled by all the popular conspiracy theories that mislead you. There was never any official investigation of the crime itself so there are no real leads to be followed.

Most of the persuasive books are really fiction, no matter how much those who wrote them may believe what they wrote.

I wish I had reason to believe otherwise but I see no probability of the crime now being solved. But what we can do is try to get what is true around and to keep pressure on the government for it to tell us what truth it can and to admit that it failed when JFK was killed and thereafter.

So that it never happens again.

Sincerely,

Harold Weisberg
